

**Our Leadership Team will continue to monitor updates and reports from our local, state, and federal government and abide by their constraints, while our nation seeks to heal from this pandemic. Please know we are making decisions out of prayer, wisdom and discernment, rather than out of fear and panic. We will continue to be preventative (to keep our church and neighbors safe), yet at the same time proactive (to minister, serve, and be the church of Jesus) throughout this extraordinary time in our nation's history. Our plan of action is as follows:**

- **Our 11 AM worship service is both live streamed and in-person. The in-person worship is limited to 50 people, during the COVID-19 pandemic, as per the Governor's orders.**
- **Our church staff is working both remotely and safely from the office. They continue to minister and serve effectively**
- **Regular communication to the MAC family will be through our weekly Shout Outs**
- **We are calling each of you to join us in prayer for our world, nation, state, community, church, leaders (both church and state), and international workers**

**We lift our eyes to the mountains—where does *our* help come from? *Our* help comes from the Lord, the Maker of heaven and earth. – Psalm 121**
